Introduction

Triforce Logistics Limited is a Ghana-based logistics, procurement, and international trade company dedicated to providing reliable sourcing, freight forwarding, and supply chain solutions for businesses across Africa and beyond.

We specialize in facilitating the movement of goods from major global manufacturing markets, particularly China, to Ghana and other international destinations.

Through our extensive network of suppliers, freight partners, customs brokers, and logistics professionals, we help businesses streamline procurement processes, reduce supply chain challenges, and access quality products at competitive prices.

"Connecting Global Suppliers with African Opportunities Through Trusted Logistics and Trade Solutions."
Triforce Logistics Limited actively builds partnerships across Africa, Asia, Europe, and Australia to strengthen trade flows between international suppliers and West African markets.

Director's Statement

"At Triforce Logistics Limited, our goal is to bridge the gap between international suppliers and African markets through reliable logistics, strategic sourcing, and trusted business partnerships. We are committed to creating long-term value for our clients while supporting sustainable trade growth across the regions we serve."

Vision

To become a leading logistics and trade facilitation company in Africa, recognized for connecting international businesses with emerging market opportunities through innovative supply chain solutions.

01 **Connect Markets**
Build stronger trade links between Africa and major global manufacturing and commercial markets.

02 **Build Trusted Partnerships**
Develop long-term relationships with suppliers, businesses, freight partners, and other stakeholders.

03 **Simplify Global Sourcing**
Make it easier for African businesses to find, purchase, and receive quality products from international markets.

04 **Deliver Reliable Logistics**
Provide dependable freight forwarding and supply-chain support from sourcing to final delivery.

05 **Support African Development**
Contribute to stronger local businesses and economies by improving access to global trade opportunities.

06 **Drive Smarter Trade**
Use technology, efficient processes, and market knowledge to make international trade simpler and more accessible**.**

07 **Enable Business Growth**
Help businesses access new markets, products, and opportunities that support sustainable growth.

Mission

To provide efficient, reliable, and cost-effective logistics and procurement solutions that connect global suppliers with African markets while creating value for our clients through professionalism, transparency, and operational excellence.

Triforce Logistics Limited serves clients across wholesale and retail trade, construction and building materials, manufacturing, consumer goods distribution, industrial equipment procurement, and general import and export businesses.

Why Partner With Us

Strong Trade Experience

We understand the complexities of international procurement, shipping, customs procedures, and cross-border trade.

Reliable Supplier Network

Established relationships with manufacturers, suppliers, and logistics partners across our trade corridors.

African Market Access

Valuable insight and access to opportunities within Ghana and the wider West African market.

End-to-End Trade Support

From sourcing and procurement to freight forwarding, customs coordination, and final delivery.

Our Best Services

From freight to final-mile delivery, our services are built to move your goods efficiently between global markets and West Africa.

01 **International Freight Forwarding** — sea freight, air freight, FCL & LCL, consolidated cargo solutions.

02 **Procurement & Sourcing** — product sourcing from China and international markets, supplier verification.

03 **Price Negotiation & Inspection** — negotiation support and quality inspection coordination.

04 **Import & Export Solutions** — end-to-end import coordination and export logistics support.

05 **Customs & Clearance Support** — clearance coordination and regulatory compliance assistance.

06 **Trade Documentation** — cargo documentation management and international shipping paperwork.

07 **Supply Chain Consulting** — logistics planning, freight cost optimization, vendor coordination.

Key Trade Corridors

Our operations primarily support the following trade flows, while we continue to expand into new markets across Africa, Asia, Europe, and Australia.

China	→	**Ghana**
China	→	**West Africa**
Europe	→	**Ghana**
Australia	→	**Ghana**
International Suppliers	→	**African Markets**

Business Capacity

Triforce Logistics Limited has developed a strong operational network that enables the efficient coordination of procurement, freight forwarding, and international trade activities between global suppliers and African markets.

- Network of over 100 active clients across various industries
- Dedicated team of logistics, procurement, and administrative professionals
- Established supplier and manufacturer relationships across China and other international markets
- Strategic partnerships with freight forwarders, customs brokers, and logistics service providers
- Experience coordinating sea freight, air freight, consolidated cargo, FCL, and LCL shipments
- End-to-end cargo management from sourcing to customs clearance and final delivery
- Supports businesses from SMEs to large-scale commercial importers
- Extensive experience facilitating trade between China, Ghana, and West Africa
- Strong understanding of shipping procedures, customs, and trade documentation
- Commitment to reliable, cost-effective, customer-focused logistics solutions

Through our integrated approach to logistics and procurement, we help businesses reduce operational challenges, improve supply chain efficiency, and gain access to quality products and suppliers in international markets.
As part of our long-term growth strategy, Triforce Logistics Limited continues to expand its global network of suppliers, logistics partners, and business relationships to support increasing trade opportunities across Africa, Asia, Europe, Australia, and other international markets.

Business Development Objectives

As part of our international growth strategy, Triforce Logistics Limited actively seeks partnerships with:

- **Manufacturers and exporters**
- **Logistics and freight companies**
- **Procurement and sourcing organizations**
- **Distribution partners**
- **International trade associations**
- **Businesses seeking representation in Ghana and West Africa**

We welcome opportunities to establish long-term partnerships with manufacturers, exporters, wholesalers, logistics providers, and organizations seeking reliable representation and market access within Ghana and the broader West African region.
